Try a boating holiday with a difference and captain your Matahari Houseboat up to 100km along the Murray and Darling Rivers.

Stop near one of the many large white sandbars; watch an old paddle steamer go by, check out the wildlife along the banks.

Visit wineries located right on the rivers edge -buy a bottle of wine to have with your freshly caught fish!

Perhaps you have your own ski boat to tie up at the back door and enjoy a pre-breakfast ski on the smooth wide waters of the Murray, or just laze in the sun with your factor 30+.

Bring your golf clubs and berth your Matahari House Boat alongside the first tee, enjoy a round of golf at one of three riverside golf clubs, then wine and dine at one of our excellent clubs and try your luck on the pokies!
