RESORT

enjoy life...

You have earned the break, you're ready to savour the best the region has to offer. So choosing to stay at the Echuca Moama Murray River Resort is the first step to a great time away. From the moment you check in you realise there is an air of exclusivity. The quality and style of the villas, the massive pool recreation area, the security that comes from a gated location or maybe it's the tranquility of the river meandering by. The property has over 800 metres of Murray River frontage.

Set on 13 acres against a backdrop of the river there are wide open spaces to explore. The Villas have either River or pool views. The massive pool is one of the most elaborate in the area, complete with heated spa caves. Take a dip or just relax pool-side. There is a fenced play area for children and a tennis court if you are feeling more active.

At the Echuca Moama Murray River Resort you will find everything you need in your luxury 3 bedroom or 2 bedroom Villa. All the fittings are 5 star class and as new. For your comfort there is reverse cycle air conditioning and for your entertainment large flat screen TV with cable movies on demand.

stay a while...

The bathrooms and en suites are lavish and feature spa baths and large showers. The fully equipped kitchen with quality European appliances opens up a wide array of dining options if you feel like cooking. For more earthy style dining bring or catch your own and cook away on our BBQ's in the hay shed on the river bank. Of course you could just wander across to the sports club and be waited on. Local clubs also provide a FREE pick up and drop off service.

The moderate climate, wide array of activities and facilities has resulted in a resurgence in popularity of the region. Its closeness to capital cities has made it one of the top places for short break holidays and weekends away. To avoid disappointment we suggest that you book early.

Fishing, water skiing and boating are close by with a major boat launching ramp just 400 metres away. Horse riding, a game of golf, tennis or bowls are handy for those looking for activities. For the more adventurous the area has many attractions to make your stay in the area as exciting as you want it to be.

Gourmet travellers will not miss out as the regions boasts some fabulous restaurants and wineries. Add laid back style river cruises, (some with meals) and you'll be forgiven for never wanting to leave.
