Bio Sculpture Gel was founded in 1988 and was the first soak able permanent colour nail care system. Bio Sculpture's Mission is to provide safe, cost effective nail care systems and services that exceed required world class standards and their Vision is to be the Leading and preferred global provider of healthy nail care systems.

The unique d'vine complex has been formulated using high quality products including; wine, grapes, seeds and vine extracts. Each product is delightfully rich and contain the highest concentrations of active ingredients - anti-aging has never been so intoxicating!

Sharon is a qualified Beauty Therapist, studying at Hyde Park College of Skin & Beauty in 2014, specialising in Bio Sculpture Gel. Together with husband Patrick, they operate luxury accommodation at Narooma Waters Retreat that offers the total experience of relaxing Spa Therapies and beautiful accommodation for guests.
