We're on Facebook - Chowilla Station

Nestled amongst box trees and red gums on the banks of the River Murray, Chowilla Station's Shearer's Quarters are ideal for gatherings of family and friends.

The facility can accommodate up to 28 people, while the historic woolshed offers a rustic venue for weddings and parties.

Whether it's kicking back and relaxing, water skiing, kayaking or canoeing, fishing or photography; the Murray and the myriad of creeks and tributaries at Chowilla cater for all.
