PS EMMYLOU EXPERIENCE

Let PS Emmylou treat you to an unforgettable river cruise along the Murray River for a truly Australian adventure. Experience the magic of the spectacular scenery of the Murray River and follow the wake of early history when Echuca was Australia's largest inland port.

WEDNESDAY

Early evening the PS Emmylou departs historic Echuca, the Paddlesteamer Capital of Australia and heads upstream while you enjoy our chef prepared dinner.

As we cruise under floodlight to our overnight mooring at Flemings Bend, you are sure to see nocturnal wildlife on the riverbank. Watch for kangaroos, wombats, egrets and many other species of birds. After dinner enjoy a drink around the riverside campfire with your fellow passengers and maybe a song before retiring.

THURSDAY

After breakfast, we cruise to Moama Wharf where you commence your day excursion. We travel to Barmah where you can get up close to Australian culture with a visit to the Dharnya Indigenous Centre where you will be welcomed with a traditional smoking ceremony together with a tour of the centre by local indigenous guides.

Then all aboard for a Kingfisher wetlands cruise with an expert guide to share the secrets of the local flora and birdlife. Nowhere else in the world can you experience such timeless natural beauty and peace as when you are gliding through the World Heritage listed Barmah Wetlands.

In the afternoon, we visit the award-winning Cape Horn Winery overlooking the Murray River. After lunch and complimentary tastings with the owners, you have time to relax with a walk through the vineyard or just relax with a glass of wine on the lawn.

Back onboard we now cruise downstream in the afternoon sun before pulling into our evening mooring at Layfield Lane. Here you can take a swim in the river, go bushwalking or relax with a pre-dinner drink. Tonight, enjoy a riverside BBQ beside the campfire.

FRIDAY

Wake to an early morning bush walk or just relax over breakfast as we cruise back to Echuca where we reluctantly say farewell.
